PEOPLE

Doris Senor Woltman *ASDB Superintendent*

Congratulations on the attainment of your high school diploma. You should be very proud of your accomplishment. The challenges of school have been presented to you and you have met them successfully. This will be one of many challenges that you will encounter. Remember to always meet your challenges with strength, perseverance and commitment. If you are willing to do this, you will find personal success and satisfaction in your everyday life.

Good luck in 2004 and beyond. May you find and reach your dreams!

Doris Senor Woltman, Ed.S.
ASDB Superintendent

Judy L. Paris *Northern Regional Superintendent*

Best wishes to the PDSD graduating class of 2004!

You must hold fond memories of your day at PDSD. You have been involved in class work and activities that have helped you to grow and mature. Staff and families have supported you to reach one of life's most important goals... receiving a high school diploma. You must be proud of yourselves, as there are many people around you who are pleased with this accomplishment.

As you enter another stage of your life, remember to maintain a positive attitude. Using appropriate behavior and addressing situations with a positive outlook will bring you special rewards in life. Face your adult life with the right attitude!

Remember, too, that taking small risk will add excitement to your life. Use your ideas, your thoughts and opinions to challenge yourself. Without taking a risk, there will be little chance for success.

Congratulations on your fine achievement. We look forward to hearing many wonderful things about the members of this 2004 class!

Judy L. Paris

Sandi Fisher *Assistant Principal*

Members of the 2004,

Congratulations and best wishes. Remember your graduation from high school is just the beginning of a new and exciting journey. As you reflect on your years at PDSD, feel proud of your accomplishments but never stop striving to learn and develop new interests and skills. You will face challenges or roadblocks, but use the lessons you have learned here to help you overcome them.

We look forward to seeing you when visit us. We wish you great happiness and success throughout your lives.

Sincerely,
Sandi Fisher

Tempe Prep	52	14

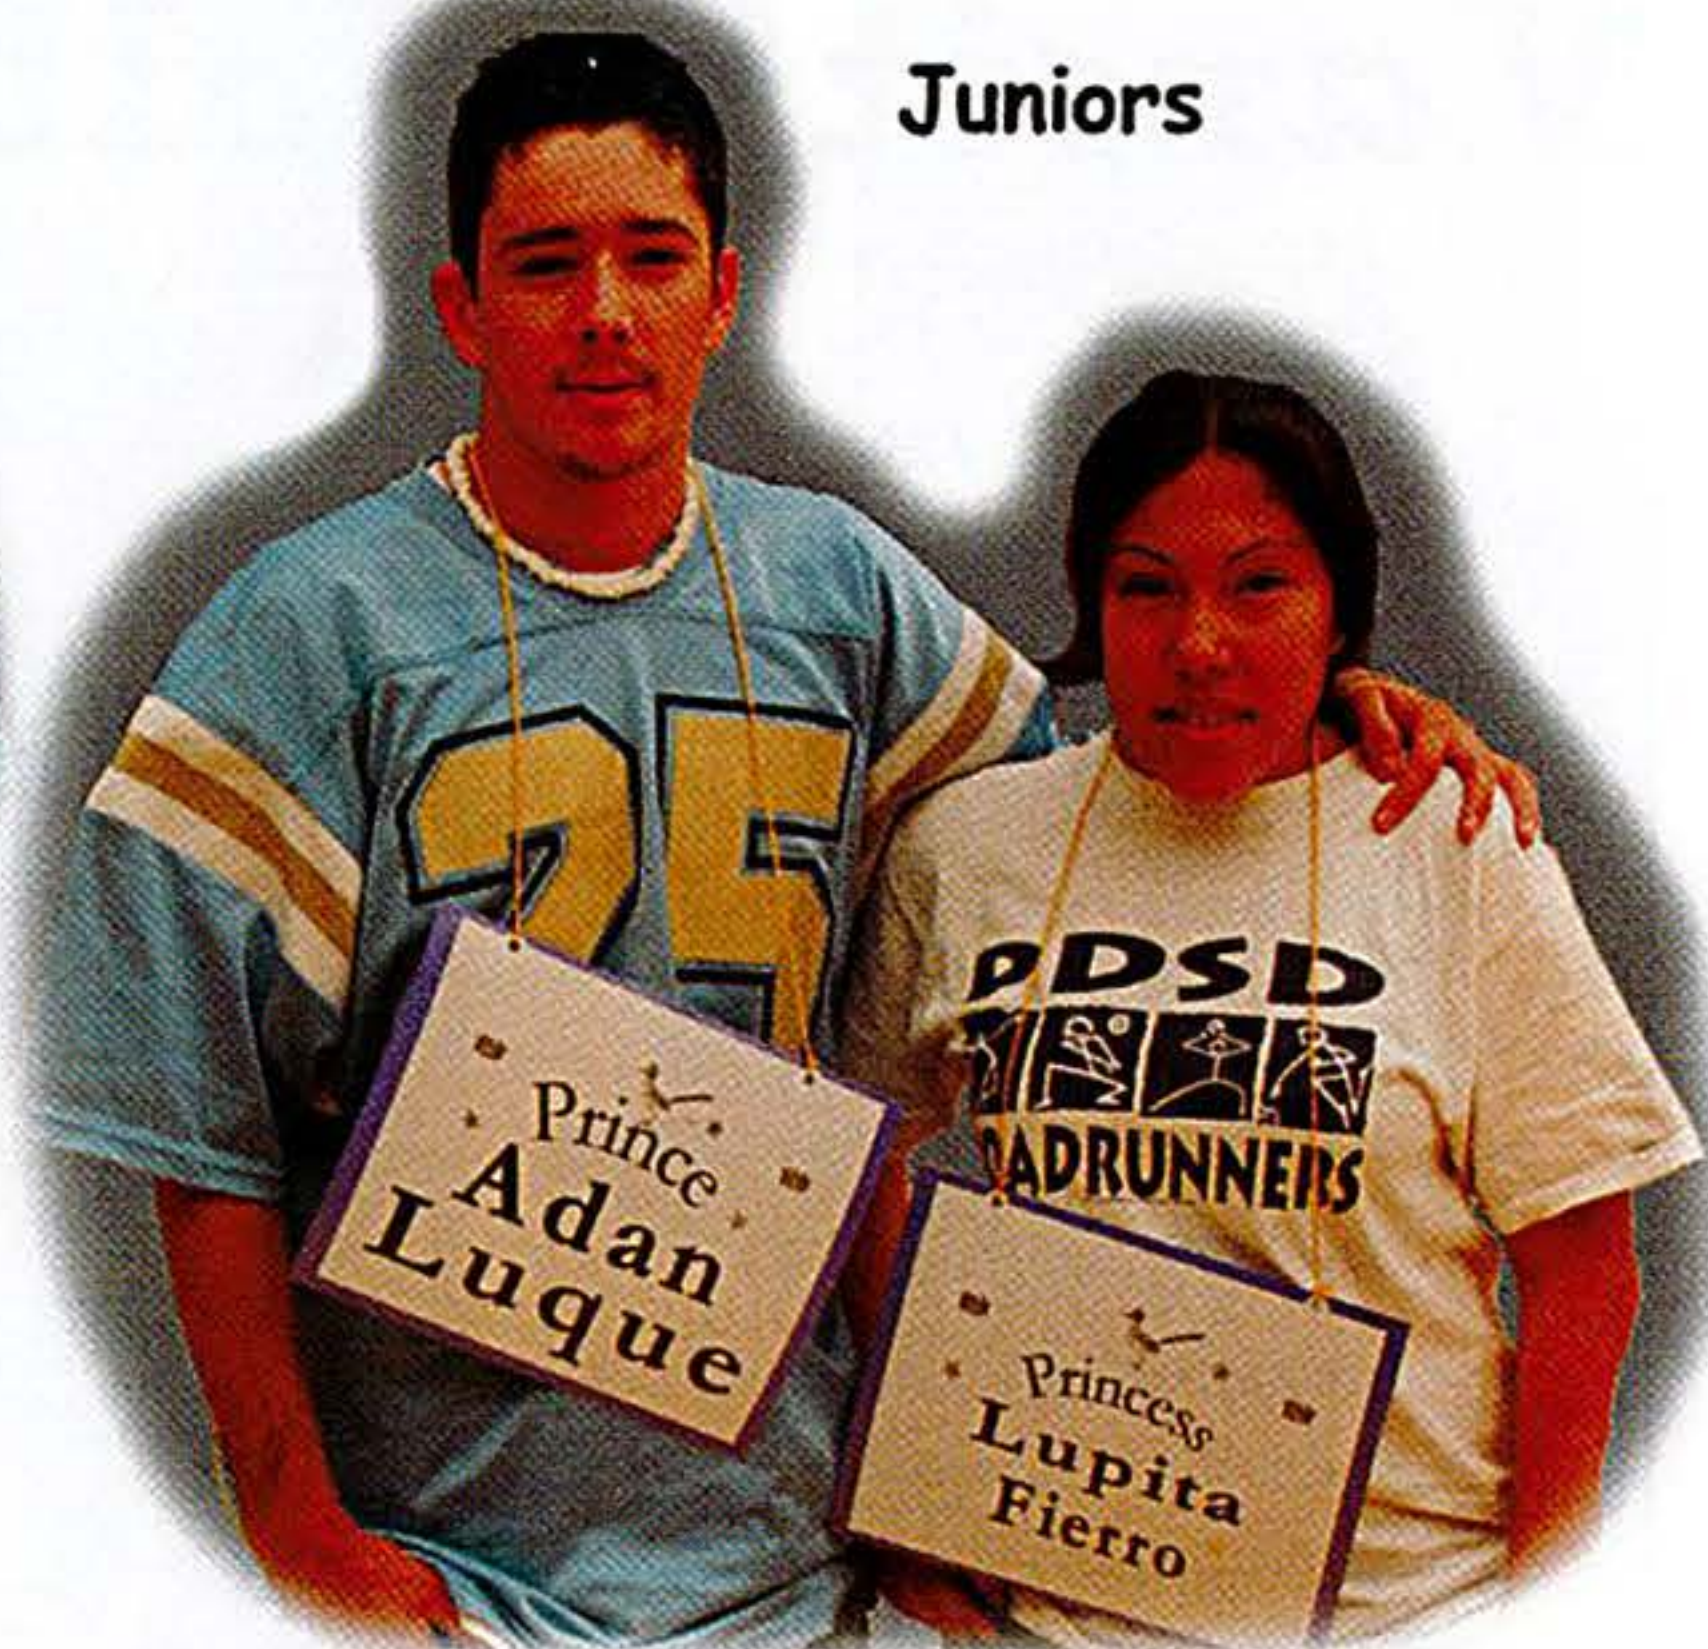

Last fall was the craziest football season in school history according to our Athletic Director Frank Amann. The school administration could have closed down the football program last fall when a bad series of injuries, defections and suspensions left the team short of man power. Rather than to shut down the season, the administration agreed to forfeit all league games and to focus on playing against independent teams. In essence, the football players practiced daily for ten long weeks just to get ready for their only two games of the season. The PDS D team members received national recognition for their persistence. The DeafSportZine declared the Phoenix season a success despite the losing scores. The team captain Patrick Henry was selected as the DeafSportZine's the player of the year. Without him the football program would have folded easily. Coaches Don Kitson and Bobby Smith were so proud of their footballers who continued to practice. Senior Patrick Henry and Phillip Moraga will be missed sorely. -- Coach Don Kitson

7-Wins, 14-Losses, 2-Ties

The girls volleyball team had a great season, even though it was not a winning one! They worked hard as a team honing their skills. There were four freshmen, three sophomores and two seniors. They all had the motivation and desire to win, and they played their best with good sportsmanship. Co-captains Jessica Oberlies and Pauletta Brown helped lead the team. Freshmen Felina Ruiz and Amanda Garcia had the most serves. Felina had the most aces while freshman Jade Greb had the most kills. Freshman Jessica Armenta was a real digger as well as Felina. Sophomore Valerie Becker made good spikes. Sophomore Yareli Baca and Margarita Sanchez were always there when they were needed!! Sean Stone was the players' manager and he was the girls' favorite fan! The whole team made us PDSD mighty proud of them for showing what it takes to be good volleyball team! We participated in the state playoffs! The overall result for the year was 7 wins, 14 losses and two ties. -Coach B. Amann

Coach's Message

The 2003-04 Girls Varsity Basketball Team finished a long season with a record of 8 wins and 19 losses. This was probably the most games played in one season in school history for girls basketball.

The team was very young with five freshmen, three sophomores and one senior. Freshmen Jessica Armenta, Jade Greb, Amanda Garcia, Stacy Caruso, and Felina Ruiz had a great fun-learning experience, working with Sophomore Valerie Becker, Phuong Briggs, and Margarita Sanchez. Senior Pauletta Brown did a wonderful job in providing leadership and support. Jessica with her quickness led the team in the scoring and steals categories. Jade placed second in scoring due to her hustle, drives and perimeter shooting. Valerie had the most rebounds.

The team was exciting to watch and it is nice to know the girls will be with us for next two and three years!

*Coach Kevin DaSilva
Coach Bonelle Amann*

Coach's Message

The Varsity Boys Basketball team had a struggling season, but managed to learn along the way. The Varsity team finished their season with a 3-23 record. Our entire team improved throughout all areas of the game. They played as one functioning unit

and turned their skills up a notch. Reaching a goal of excellence takes time and a will to succeed. The Roadrunners had it, game after game, learning something new from each opponent.

The boys tend to learn a thing or two from each team you play. It is helpful in noticing your strengths and weaknesses and then you must make use of and apply them in the end.

Coach Gerald Brown

Wrestling

The Muscular Roadrunners

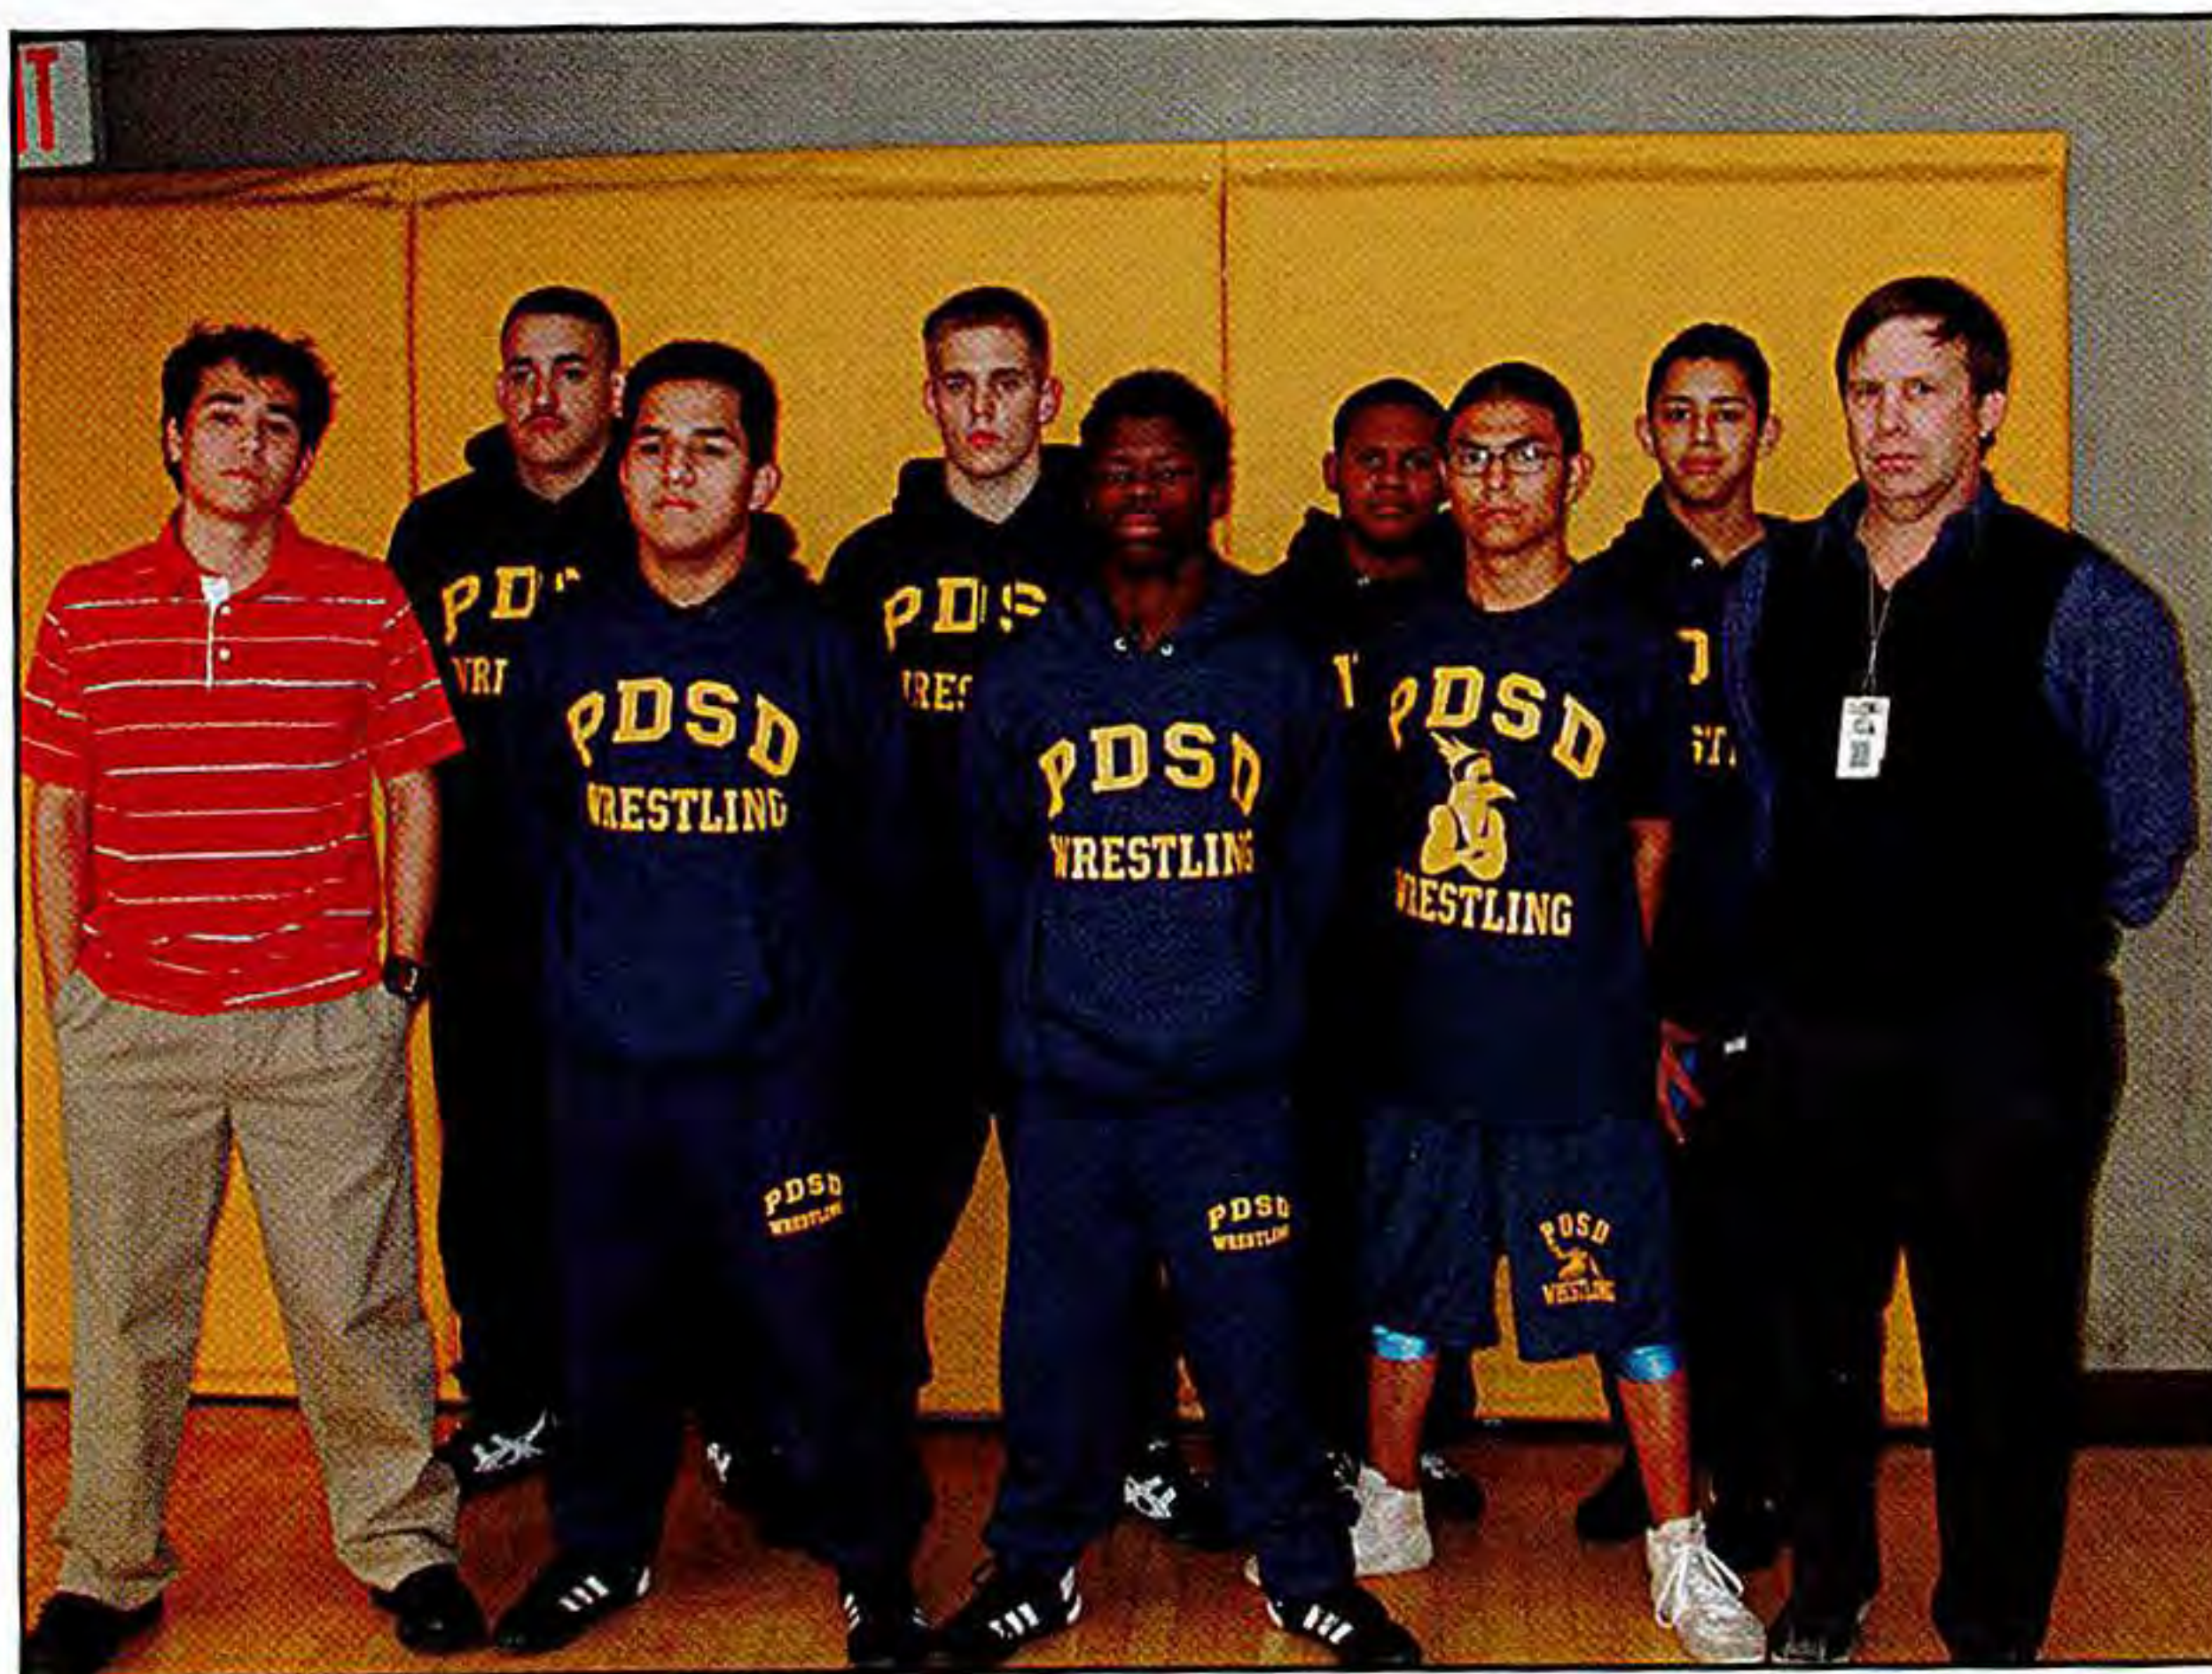

PDSD finished the season 27th at the State Championship. Patrick Henry, Jarred James, Jonathan Shea, and Phillip Moraga won regional medals to qualify for the State Championship. Co-captain Patrick Henry advanced in the State Playoffs, losing in the semi finals.

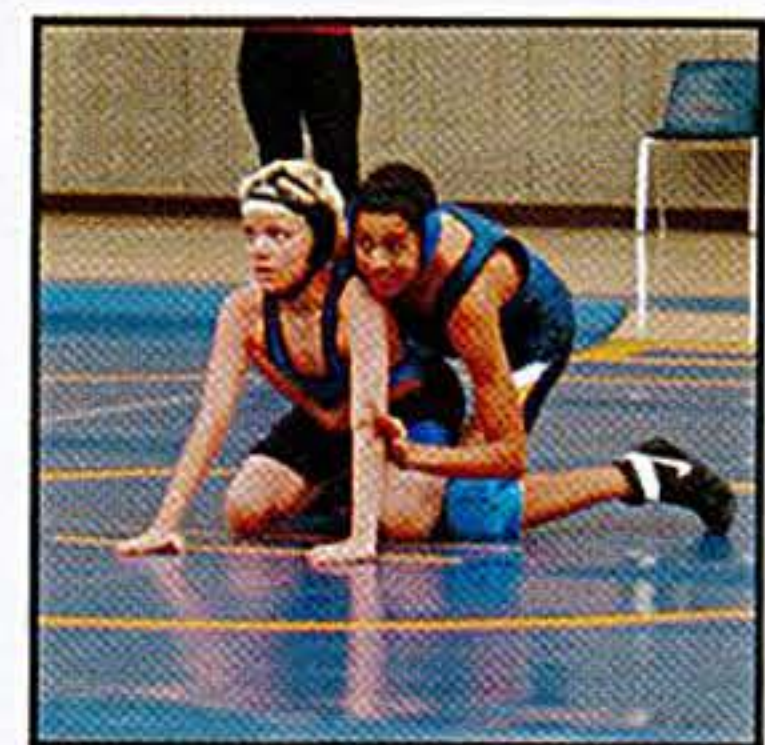

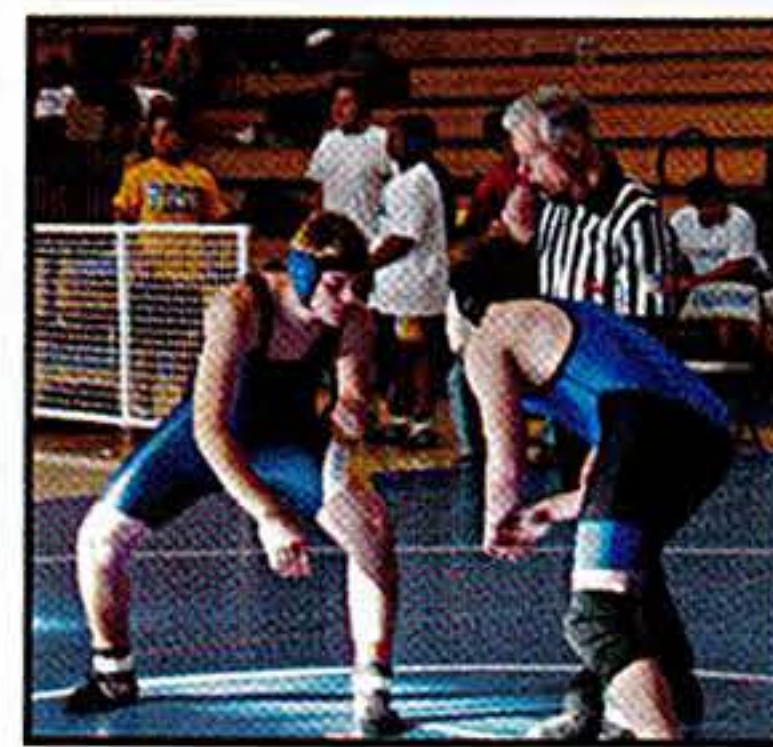

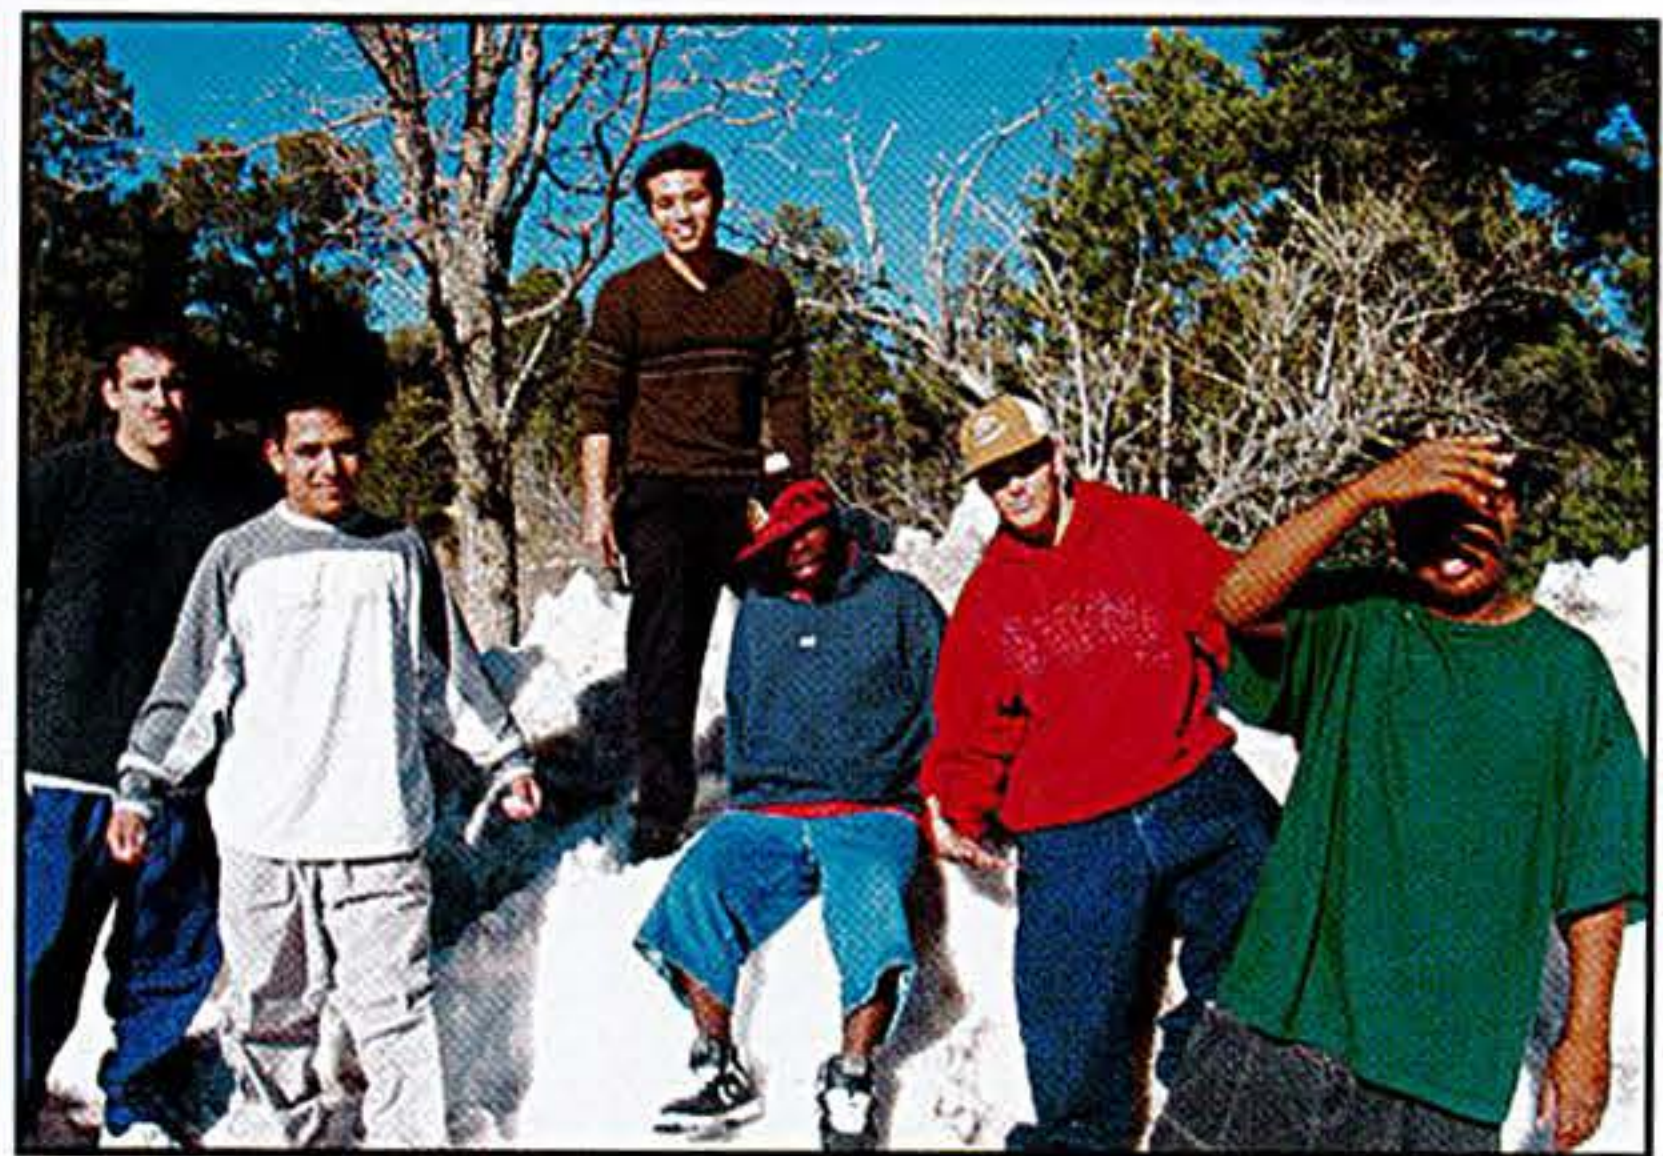

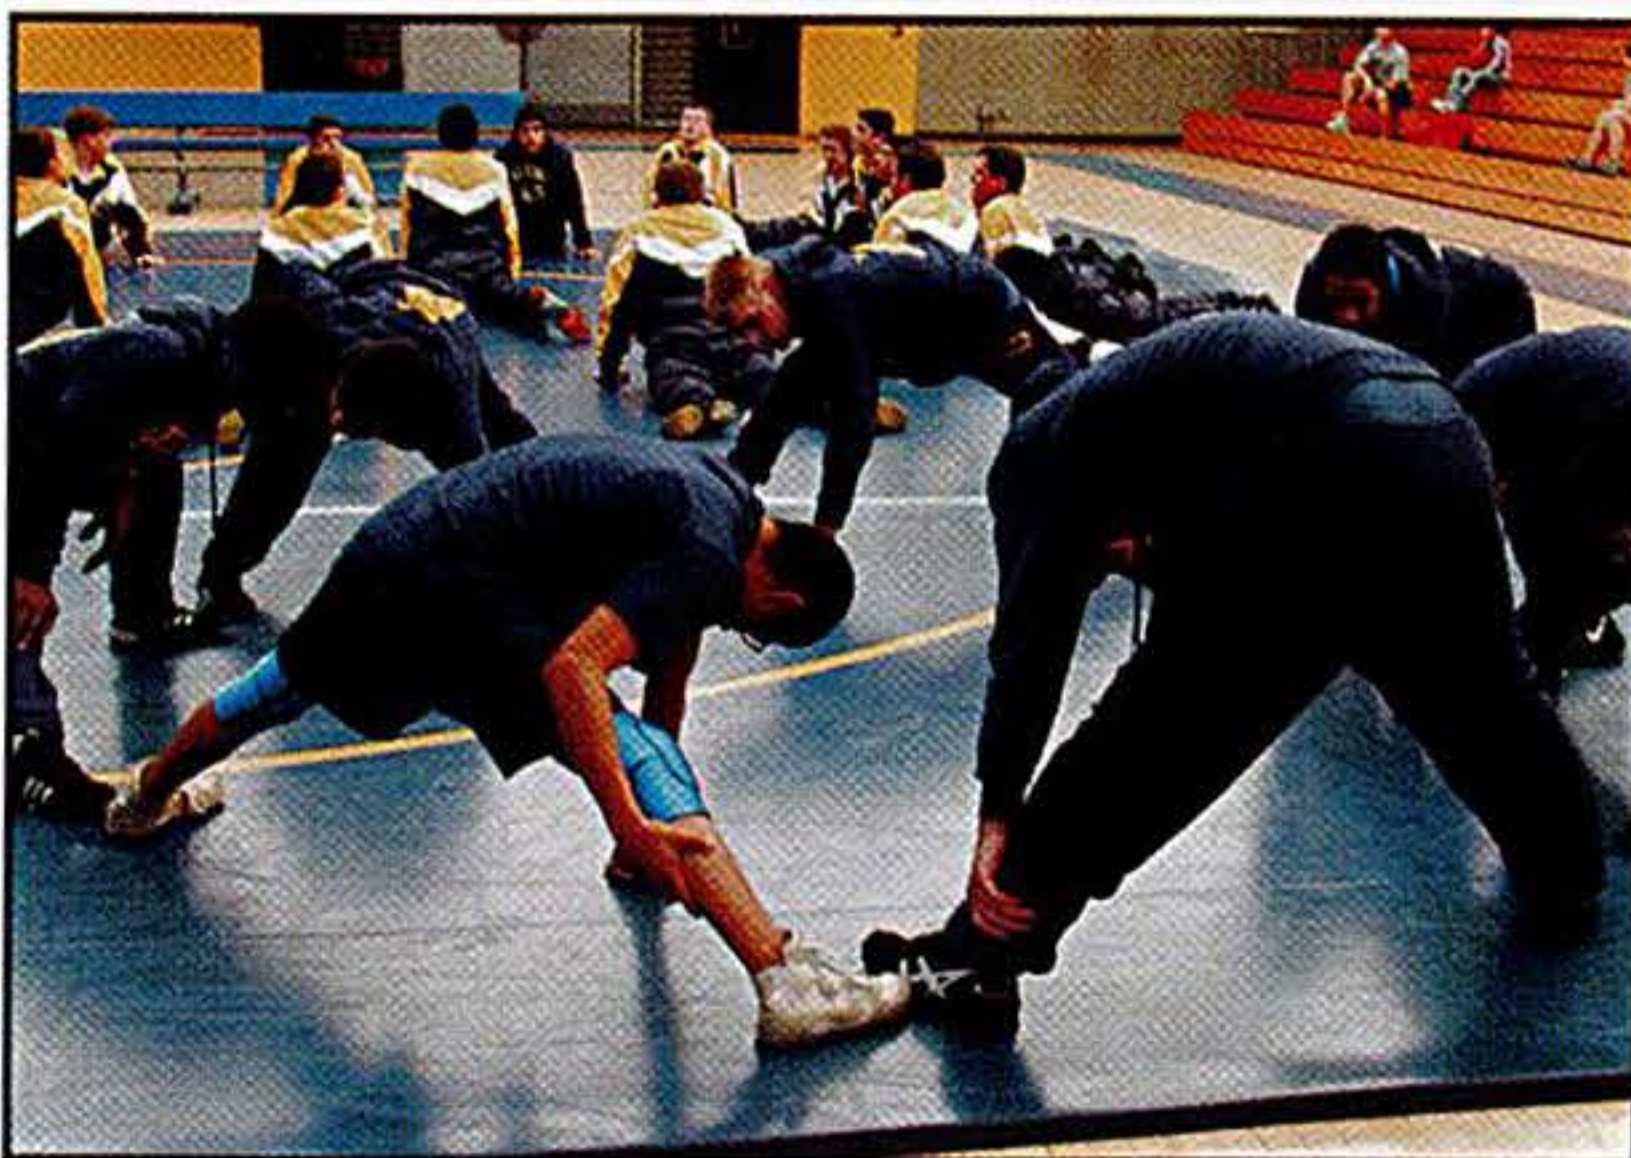

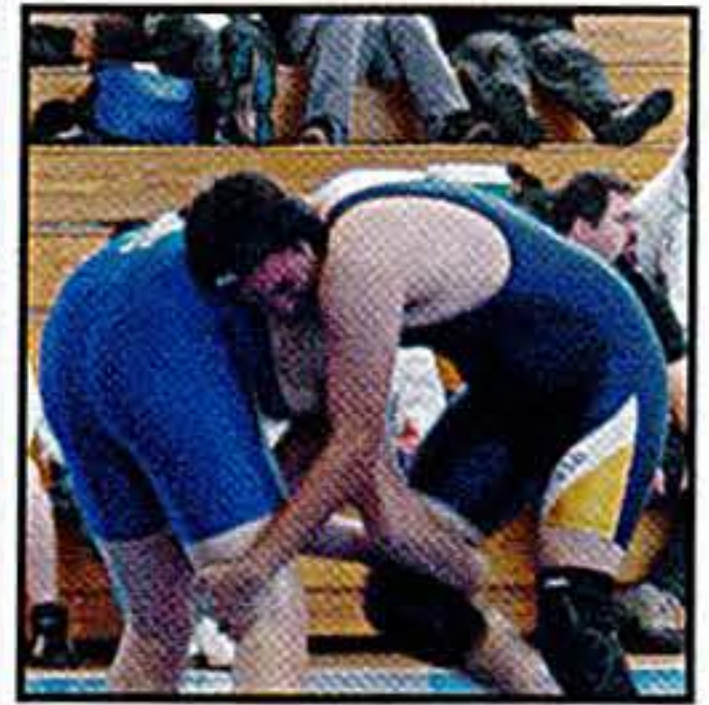

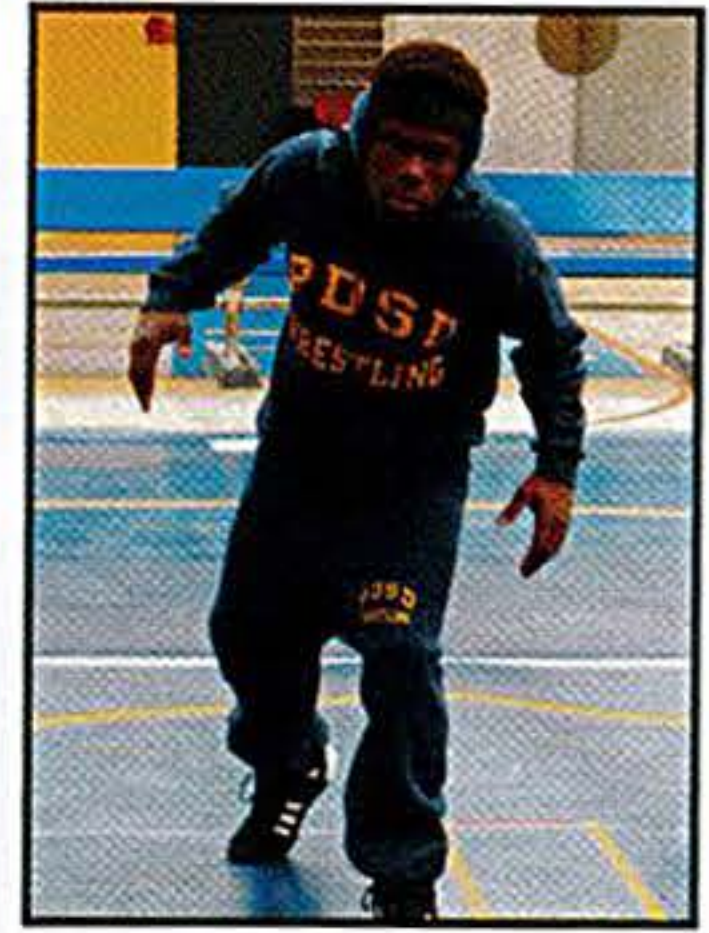

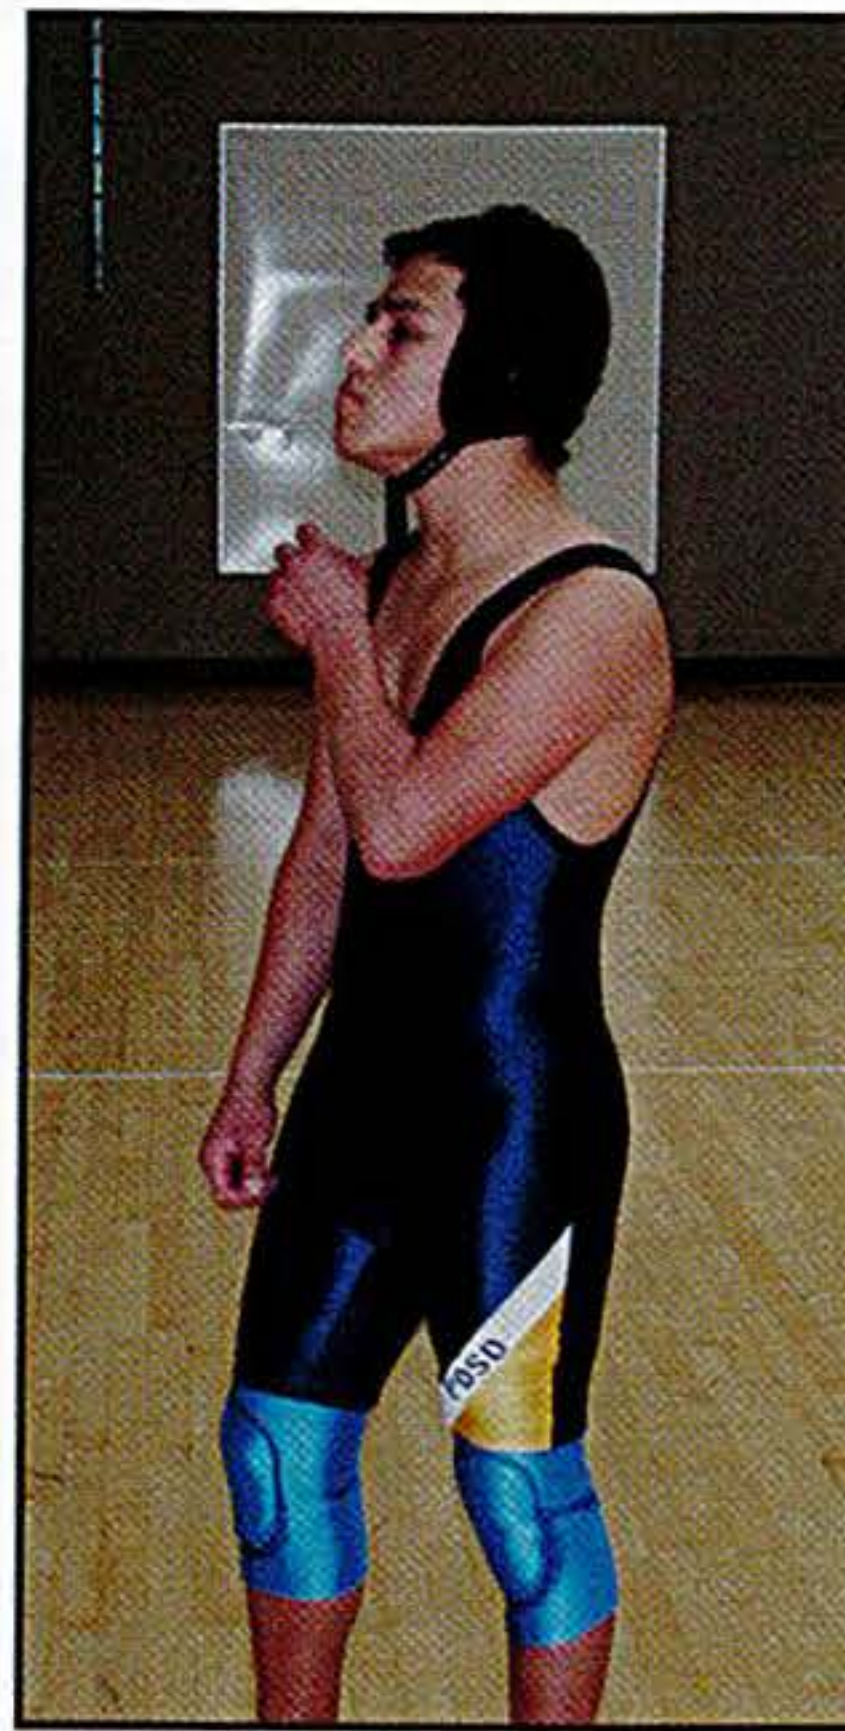

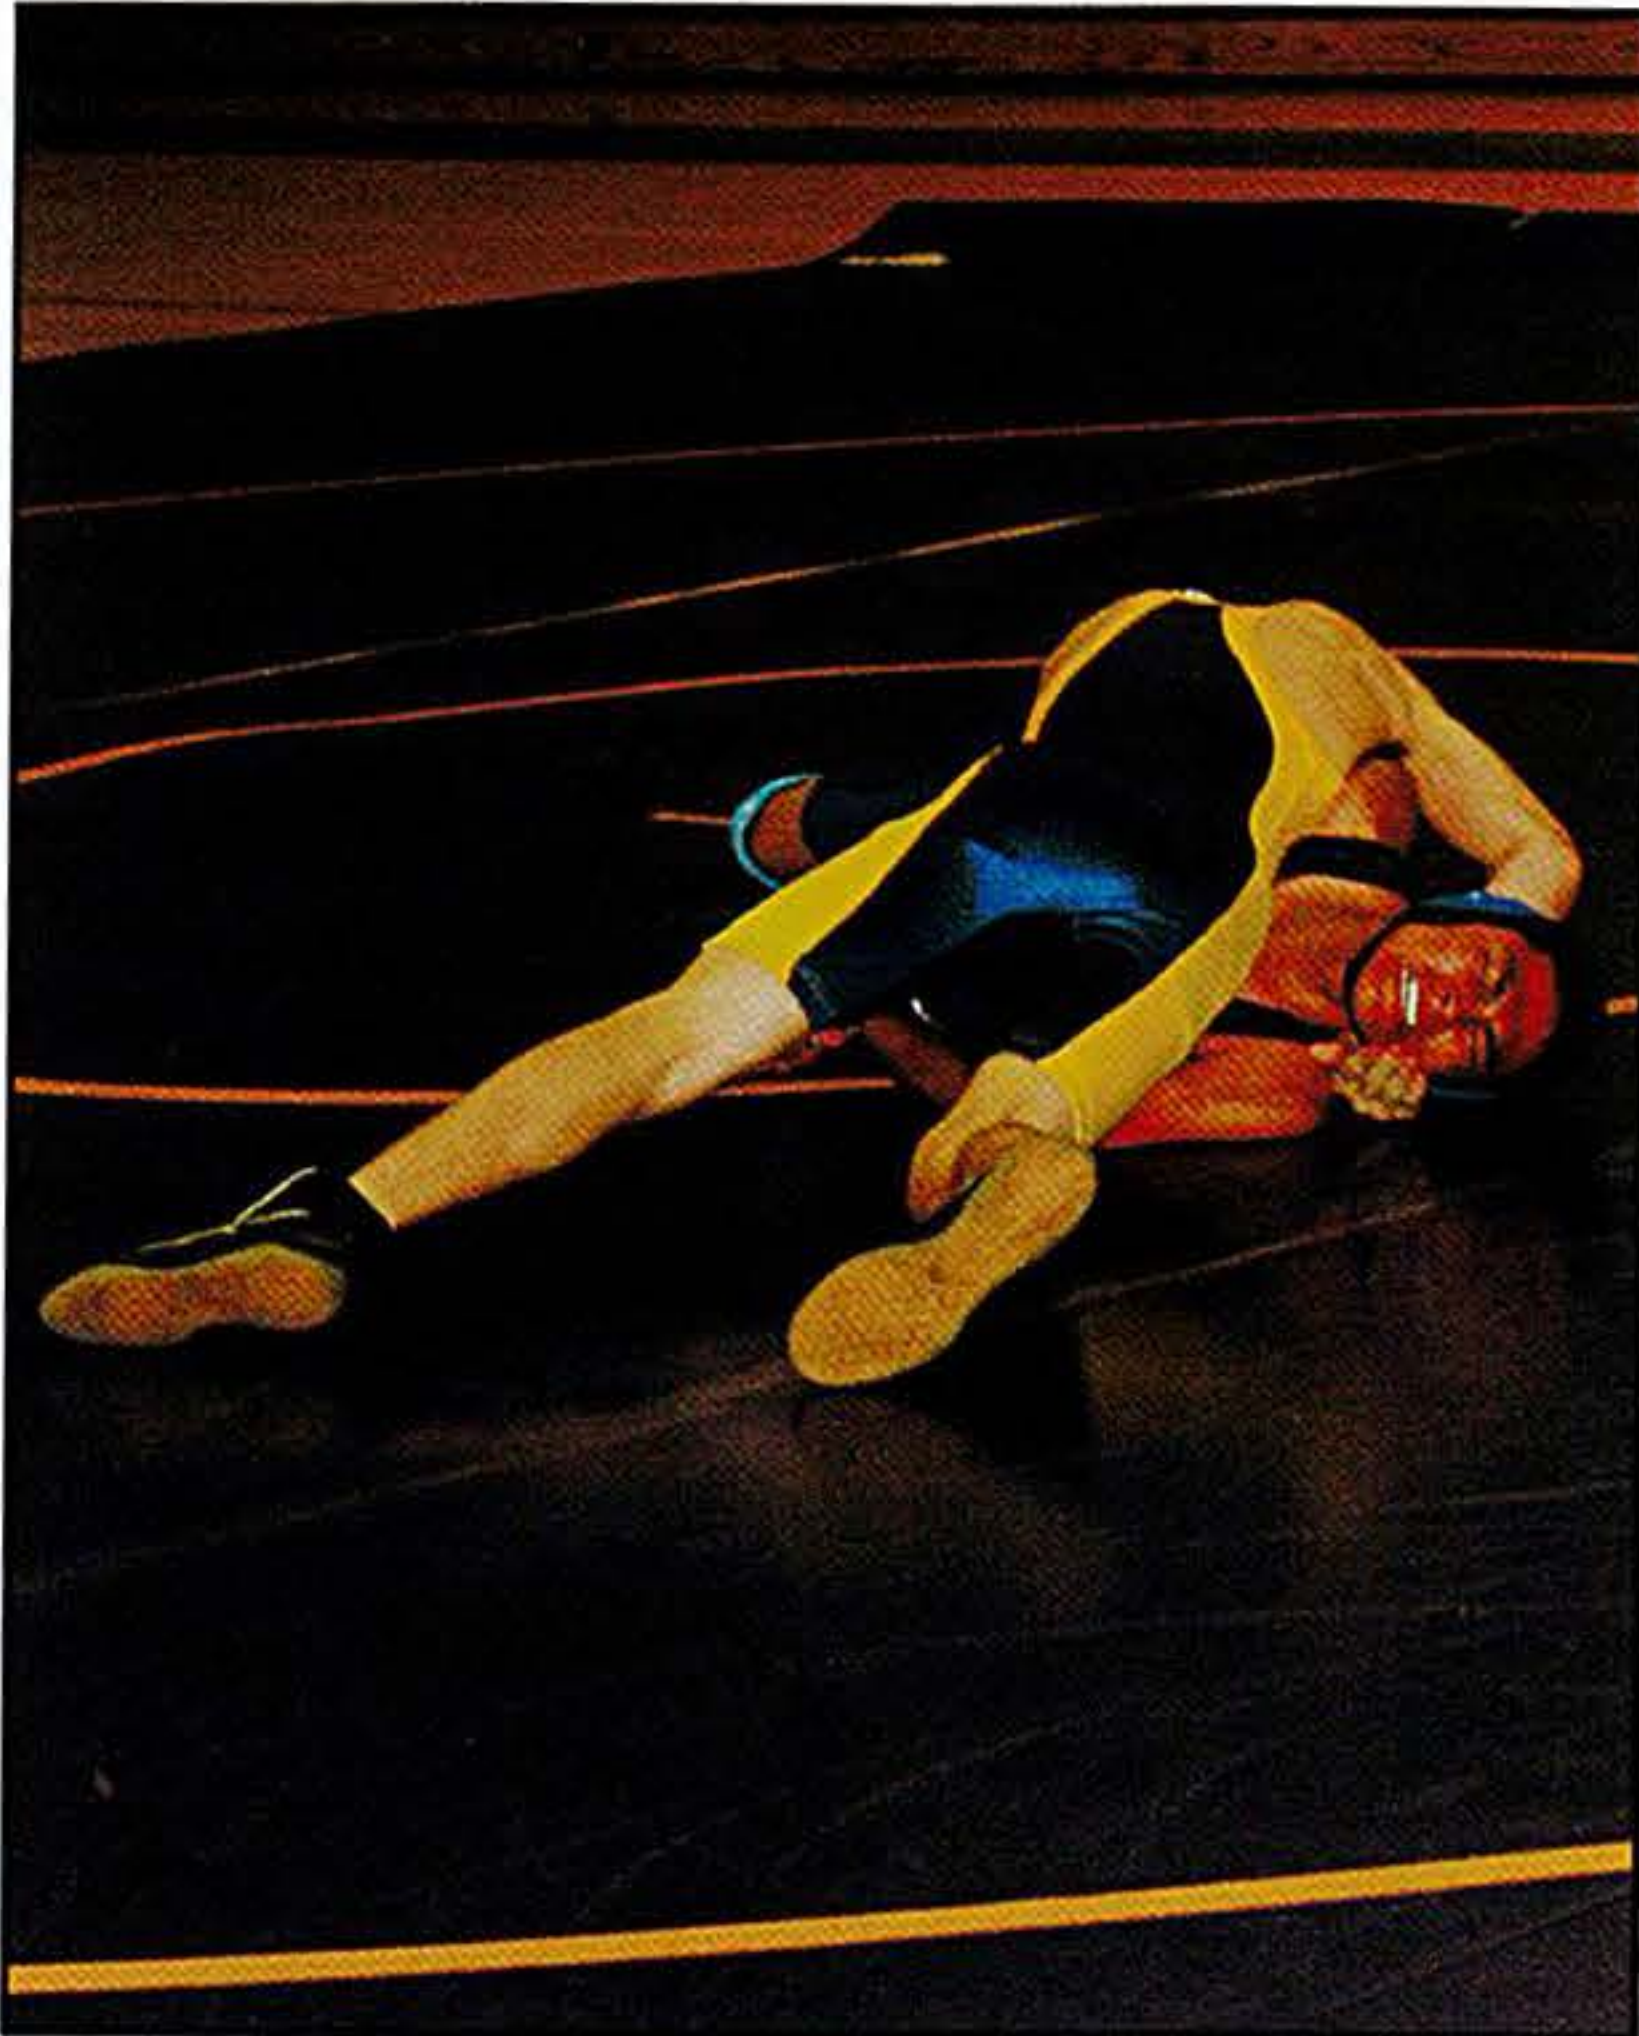

The athletic department, including the coaches, has been more than helpful with both support and encouragement. Jason Aliberto worked very hard as my assistant and was able to take responsibility when needed. Becky Mion did a great job and a lot of work with little notice and Frank Amann encouraged the kids by attending both the regional and state meets.

In order for any program to be successful, it takes the combined efforts of everyone. I certainly appreciate everyone's help and the hard work of our wrestlers.

Coach Martin M. Rittman

Front Row: Jason Aliberto, Phillip Moraga, Patrick Henry, Jarred James, Coach Marty Rittman Back Row: Salvador DelToro, Jonathan Shea, Ronald Clark, Edgar Valenzuela

Baseball

*The Future
Pro Team*

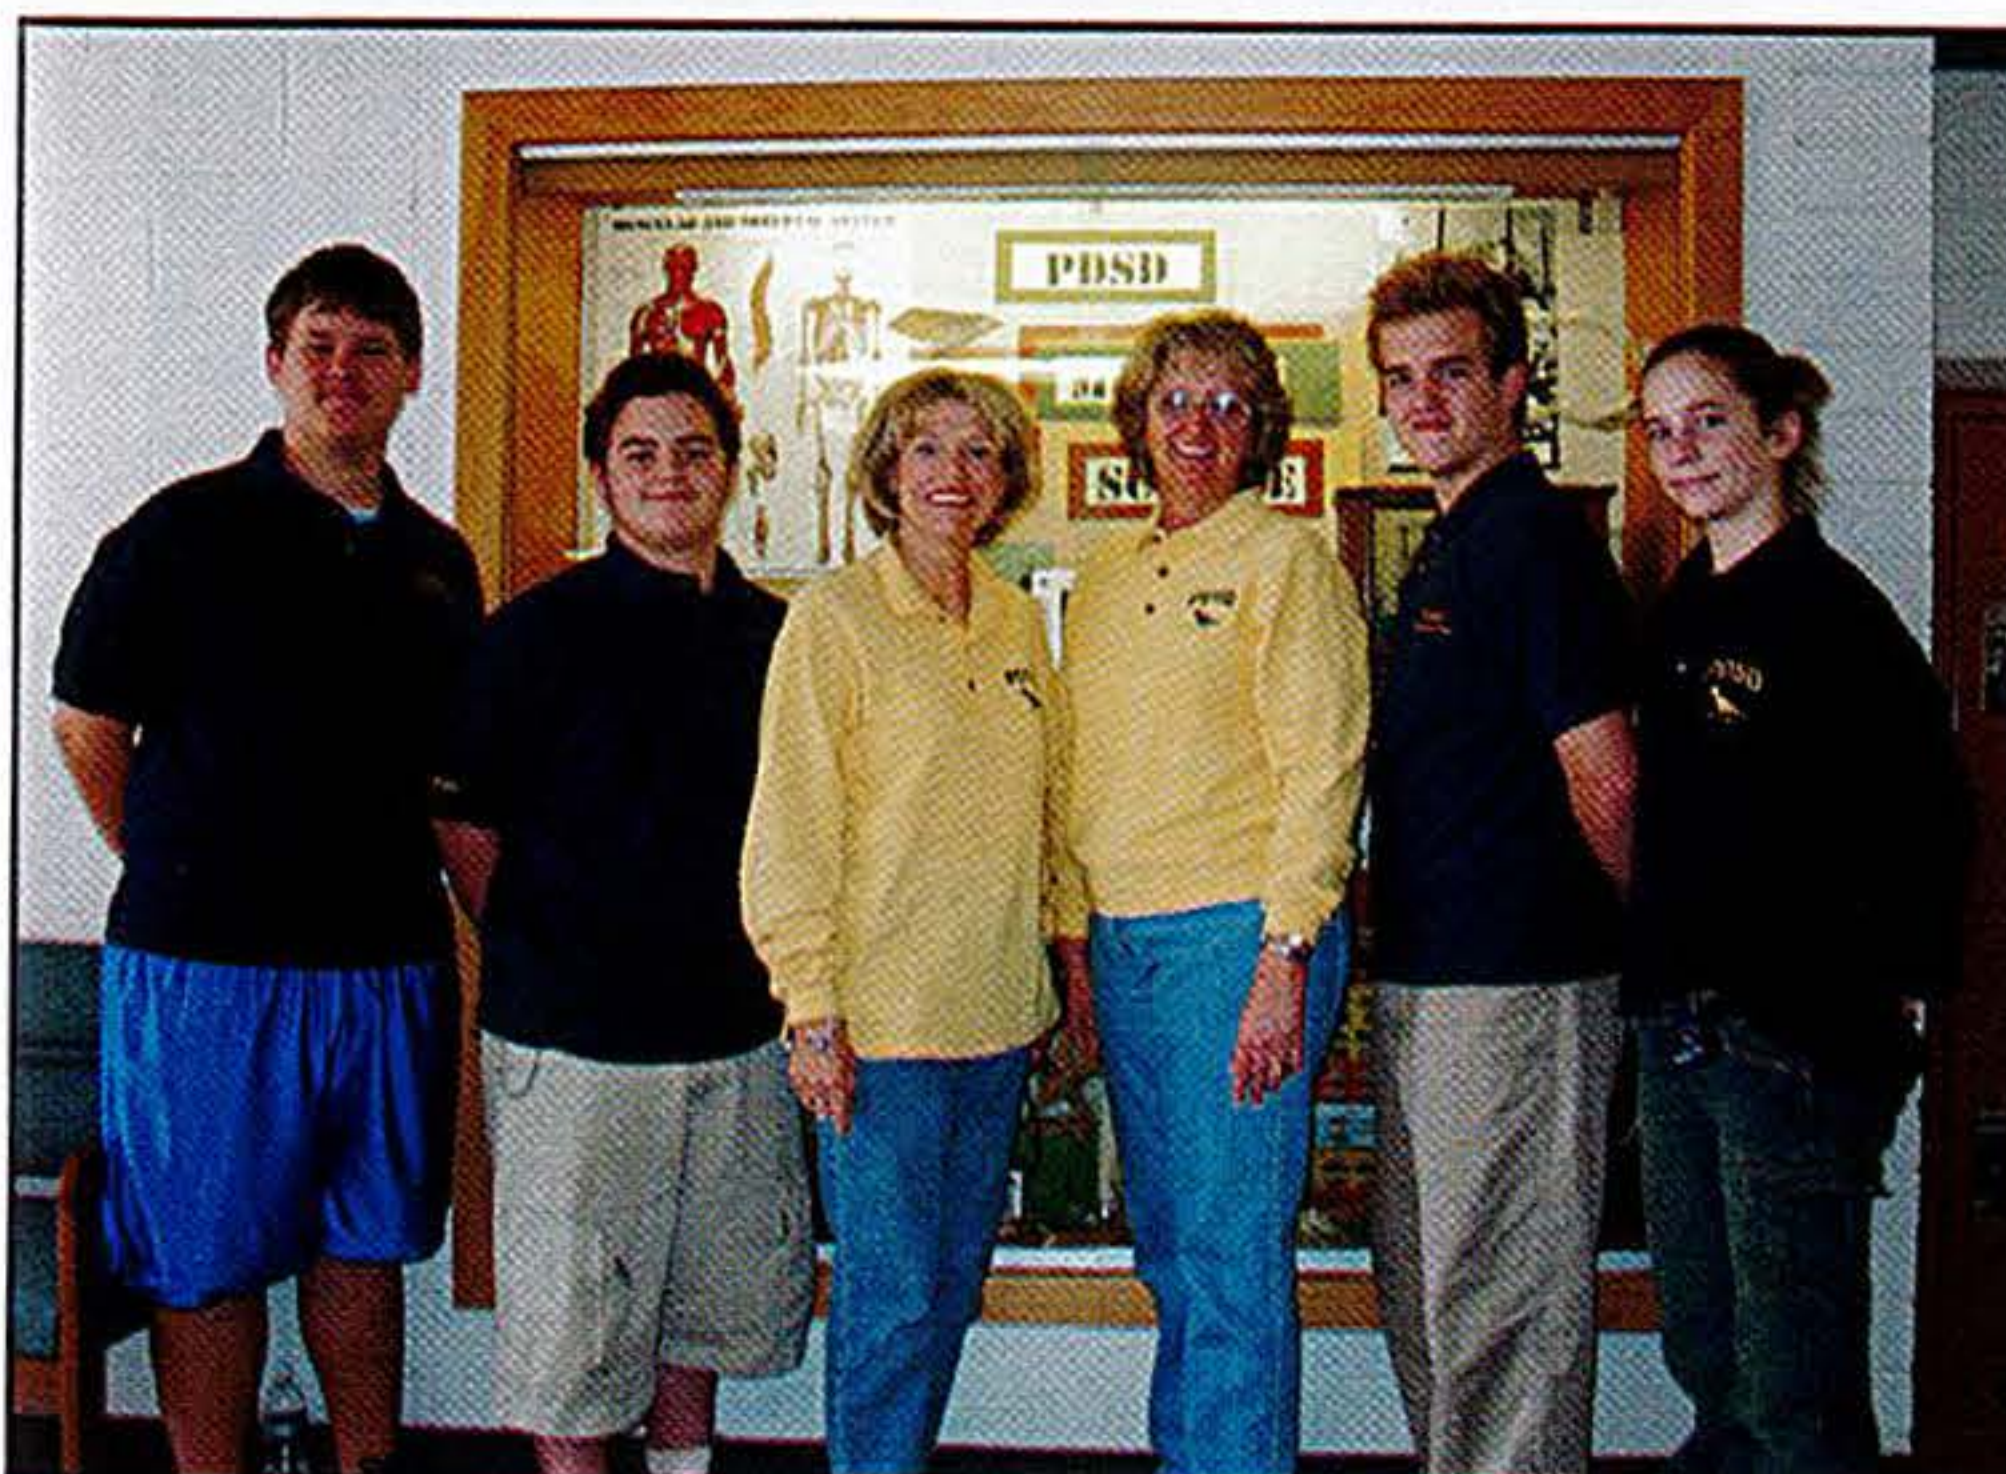

Front row: Pauletta Brown, John Hamilton, Sean Stone, Patrick Henry, Efrain Guerrero, Stacy Caruso, Valerie Becker Back row: Assistant Coach Bobby Williams, Jimmy Hyte, David Schaeffer, Athletic Director Frank Amann, Salvador DelToro, Adam Dorgan, Head Coach Don Kitson

This baseball season was unusual, thanks to four girls who joined the team to save the baseball program that was having shortage of boy players. They practiced daily for eight weeks to get ready for their only game of the season. They played Canyon State Academy in Queen Creek and lost 17 to 7. Salvador DelToro did a good pitching job for PDSD. PDSD will miss two seniors Patrick Henry, catcher, and David Schaeffer, first baseman. Coaches Don Kitson and Bobby Smith look forward to having a good season next spring. Coach Don Kitson

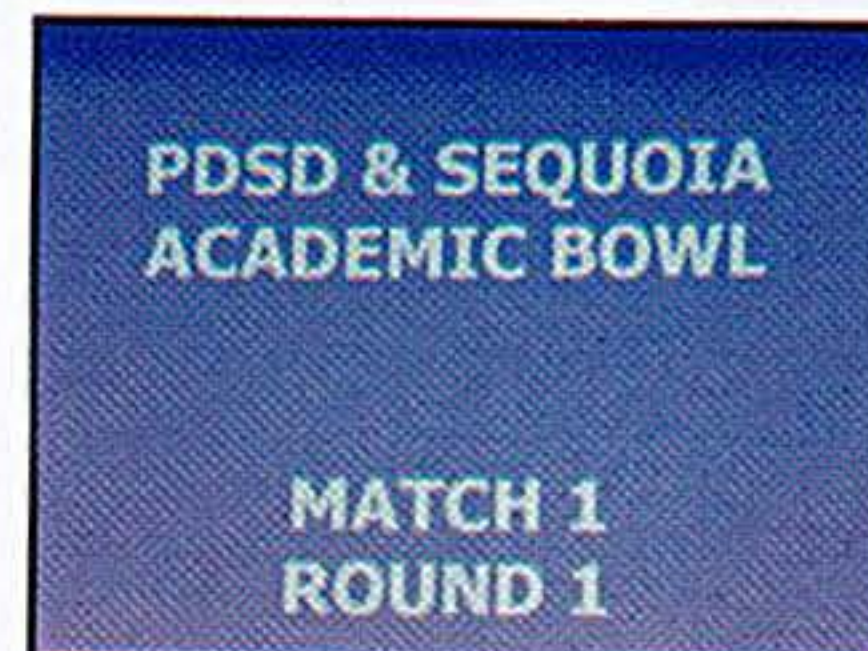

High School Academic Team

David Schaeffer, Sean Stone, Stacy Caruso, and Jimmy Hyte represented the PDSD Academic Team with a competitive presence at the Gallaudet sponsored competition. Captain David has been a member for three years, sophomore Sean two years, and freshmen Stacy and Jimmy are first year members. They made PDSD proud with several coaches commenting on the team's cohesive spirit.

Messages from

My Dearest Jessica,

The Lord truly blessed me when you were born and came into my life. I always knew, even then, you would do great things. To your teachers and fellow students, you have shown your ability for leadership, sportsmanship, equality, and kindness. You are one to challenge life and the boundaries it tries to place upon you. To me, you have shown willpower, strength, endurance, and forgiveness. No matter the hardships you encountered, your ability to endure, change, and forge ahead always got you through it. Not only have you proved to world that you can achieve anything, you also proved it to yourself. With this graduation, you have gained the knowledge that you can be whatever it is you want to be, as long as you work hard, and you want it bad enough.

Through the years, I have watched you grow and struggle to become the Beautiful, intelligent young woman that you are today. I hold my head up high, with pride and say, "That's my daughter and she's about to embark on the adventure of her life".

With love and pride,

Mom

Pauletta,

To our dear beloved daughter/sister, we are so very proud of your accomplishments. It seems like only yesterday you were just barely learning to crawl and walk, now look at you. You have been grown up to be such a fine, lovely and adorable young lady. You have encouraged us to learn to persevere; you didn't allow your deafness to limit you. You have achieved your goal upon completing high school. Soon you will be graduating from the college of your choice.

We are ever so grateful that you were able to express yourself by participating in all the sport activities at P.D.S.D; you even had the opportunity to gain knowledge and skill and use your talents while attending the culinary arts programs at Metro Tech. We know that you have placed a ray of sunshine and laughter in the hearts of all those that came to know you. We wish you well in all your future goals and don't even forget that we are here to help support you and we all LOVE you dearly. We Thank God for giving you to us, and we appreciate all that you do for us as a family. We are also grateful to fine staff of P.D.S.D. and Metro Tech for their continued support and guidance.

With Love & Prayers always,

Dad, Mom & your four brothers

We are so proud of Jami. She is warm and caring. Thinks about other people's feelings. She has always been a good student, eager to learn. She will always lend a helping hand. Jami is a wonderful person and a fantastic daughter. We are very proud of you, Jami, and we love you.

Mom and Dad

We are so proud of Matthew. He has grown so much. His always positive, undaunted determination, & smile are an inspiration to those around him. Always willing to help others & tries with all his might to do what is asked of him. Always happy & cheerful, hardly ever complaining. Hard to believe our little Matt is growing up.

Love from your family,

Mom, Michael, Mario, Adriana, Amanda & Robyn

Ada, many years have passed and it seems like it was yesterday when you were just a little girl, and I held you in my arms. Now you are a young woman and about to graduate. I want to congratulate you on your graduation and for being who you are. I am very proud of you. My wish was to give you everything that I never had. I thank God for your education which will help you to continue moving ahead on the many open roads you will have your life. Always remember that you have a family that loves you. Your mom, brother, sister and I will always loves you!

My girl, I know that many years have past and we had our moments of happiness and sadness, but we are still together. Your dad, brother, sister, and I ask God to bless you and protect you wherever you may go. I encourage you to continue with your education so that you can succeed in life. We will always support you in whatever you may decide to do. Thanks for being a marvelous girl. Congratulations!!!

Your Dad, Mom, Brother and Sister

Parents

I am the father of Elizabeth Fraire Garcia. When she was born, I was very happy because she was very pretty when she was small. Liz would play a lot with me when she was a little child. She would always put on my hats and would want me to take her picture with the hats on. She kept growing and being happy, she liked for me to take her to the store to buy candies and toys; one Christmas I bought a lot of toys for her and for her brother, Jesse and I hid them all over the house and when they awoke they were very happy because they were finding more and more toys. Liz has never gotten mad at me, she has always been a good child. I love her very much and respect her decisions. I am very proud of her because in spite of all her problems that she has had and all her bad times, she has had a lot of enthusiasm to proceed with her studies and now with this welding career that she has chosen. I am also happy because she tells me that she has chosen this career because of me. This makes me very happy, but also worries me because welding is a little difficult and dangerous. But, I hope and these are my wishes that she always does well in all that she wants to do. I am very happy because of her upcoming graduation and I wish for her with all my heart that she has a very, very happy graduation day. I also want to tell Liz that I will be here with her to keep supporting her in everything. I want to say thanks to all the teachers and all the school's educational board for supporting her. Many, many thanks.

Your Daddy, that loves you very much,
Jesus Fraire

Gilberto, I want to congratulate you, my son. In spite of your deafness, you have been able to do well in school. I give many thanks to God and to you for your efforts and for your teachers' efforts in helping you to be able to graduate from High School. I love you with all my heart, Gil.

Your Mom
Merced Andrade

Dear Irene,

We are so proud of how much you have accomplished in life. We wish you the very best in the future. We're confident you will be successful on your journey throughout life. You are smart, loving, and caring. When you walk in a room, you always put a smile on people's faces. Remember, you can succeed in life when you put your mind to it. We are so lucky and proud to have you as a daughter. You have taught us so many things, as well as learned them. You are a good daughter, sister, and friend. Be kind to yourself, to others and reach for the stars. We hope all your dreams come true. There will always be a piece of you in us.

Love always,
Your Mom & Dad, Maria & Jose

Victoria, we wish to express our appreciation for all the hard work you have expended in all your years at school. You have conquered all that your life have being as I am sure you will in rest of your life to come. Be happy & enjoy.

Love from all of your family

David,

It's hard to believe you are graduating high school. We are so very proud of you. Son, you are a very special gift from God and we have been blessed with such a wonderful son. We know you will succeed in anything you set your mind on. We wish you all the success in the world, and you have shown us that your handicap has not stopped you from achieving all you have done. We love you David.

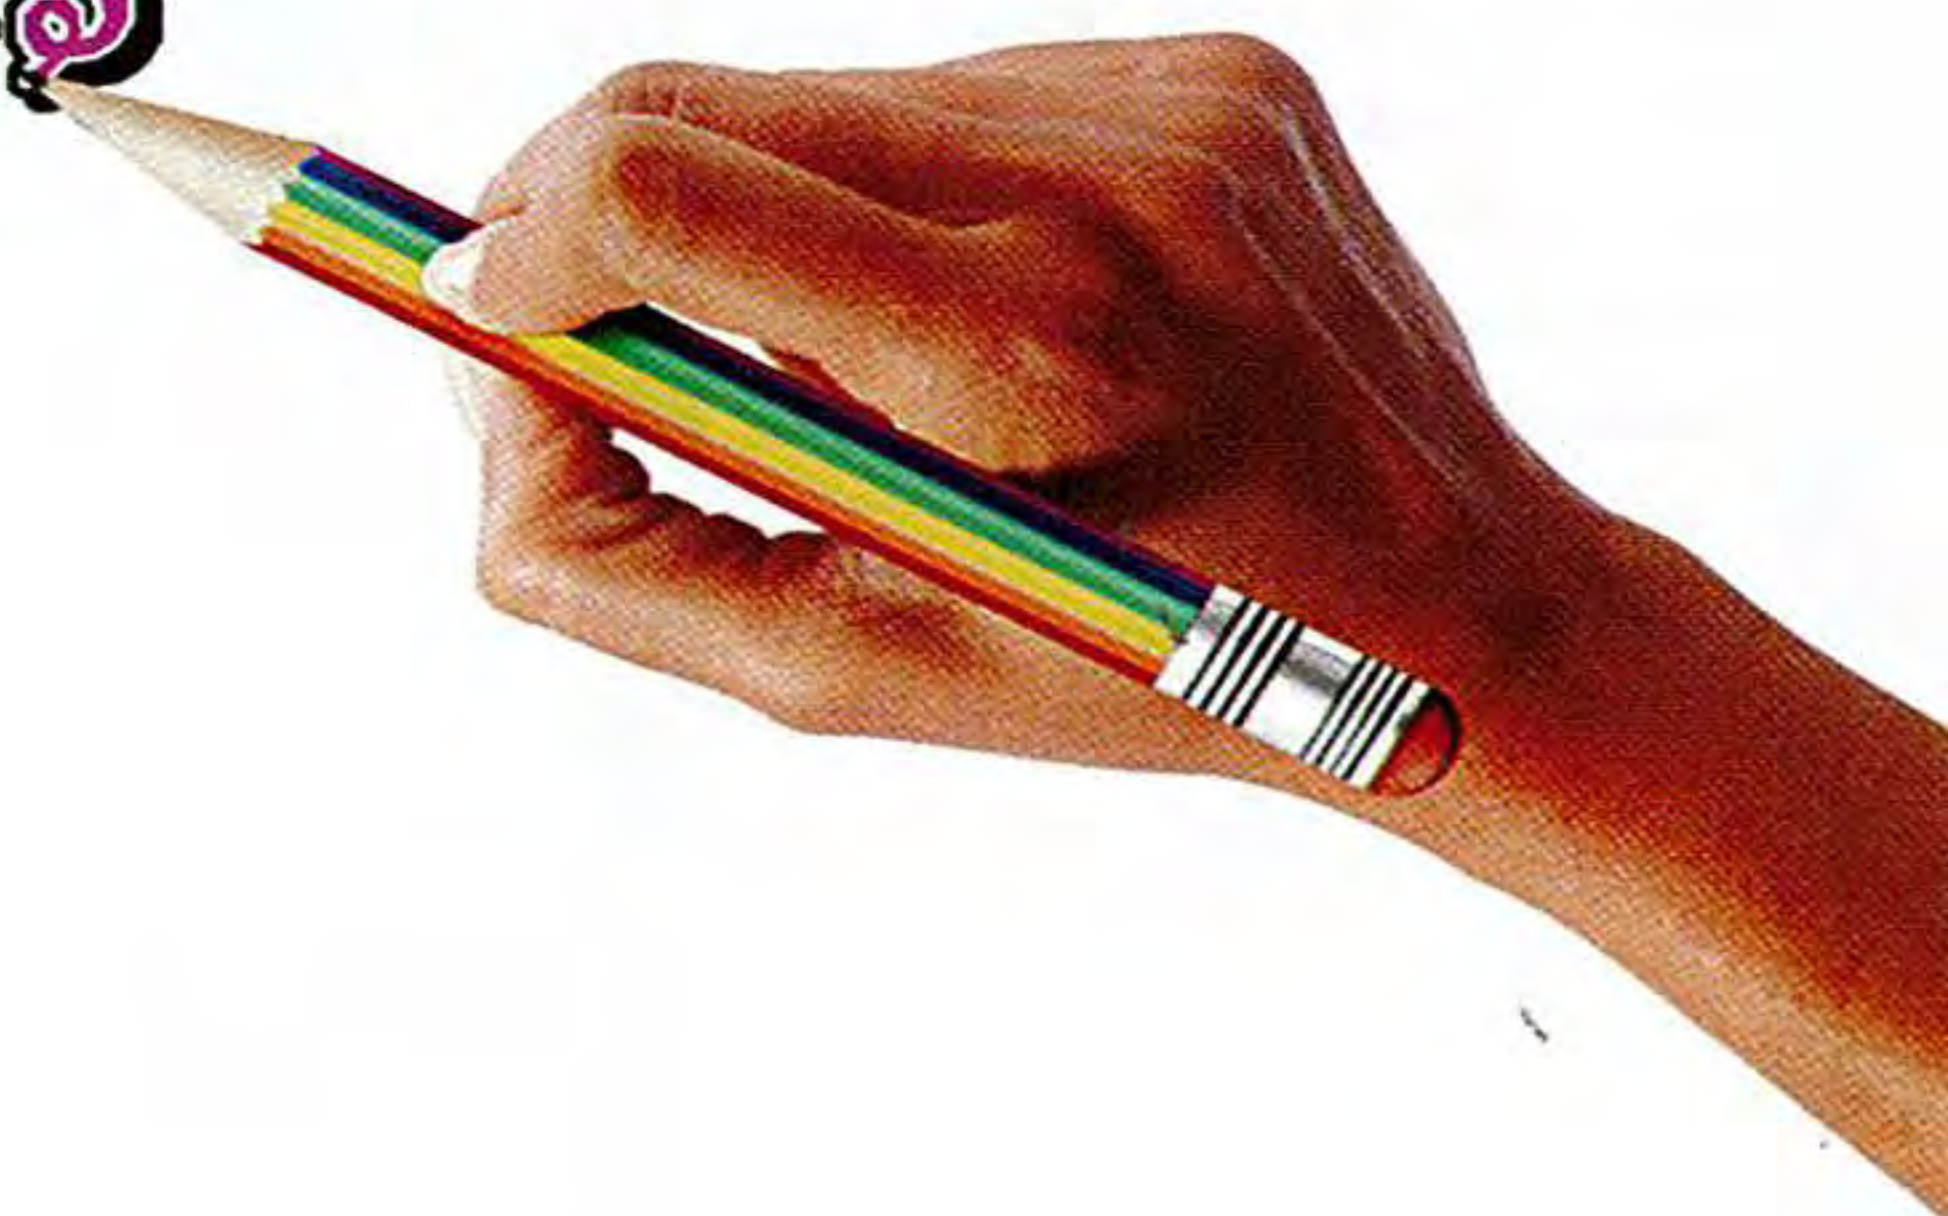

Love,
Mom, Dad and sister Jen

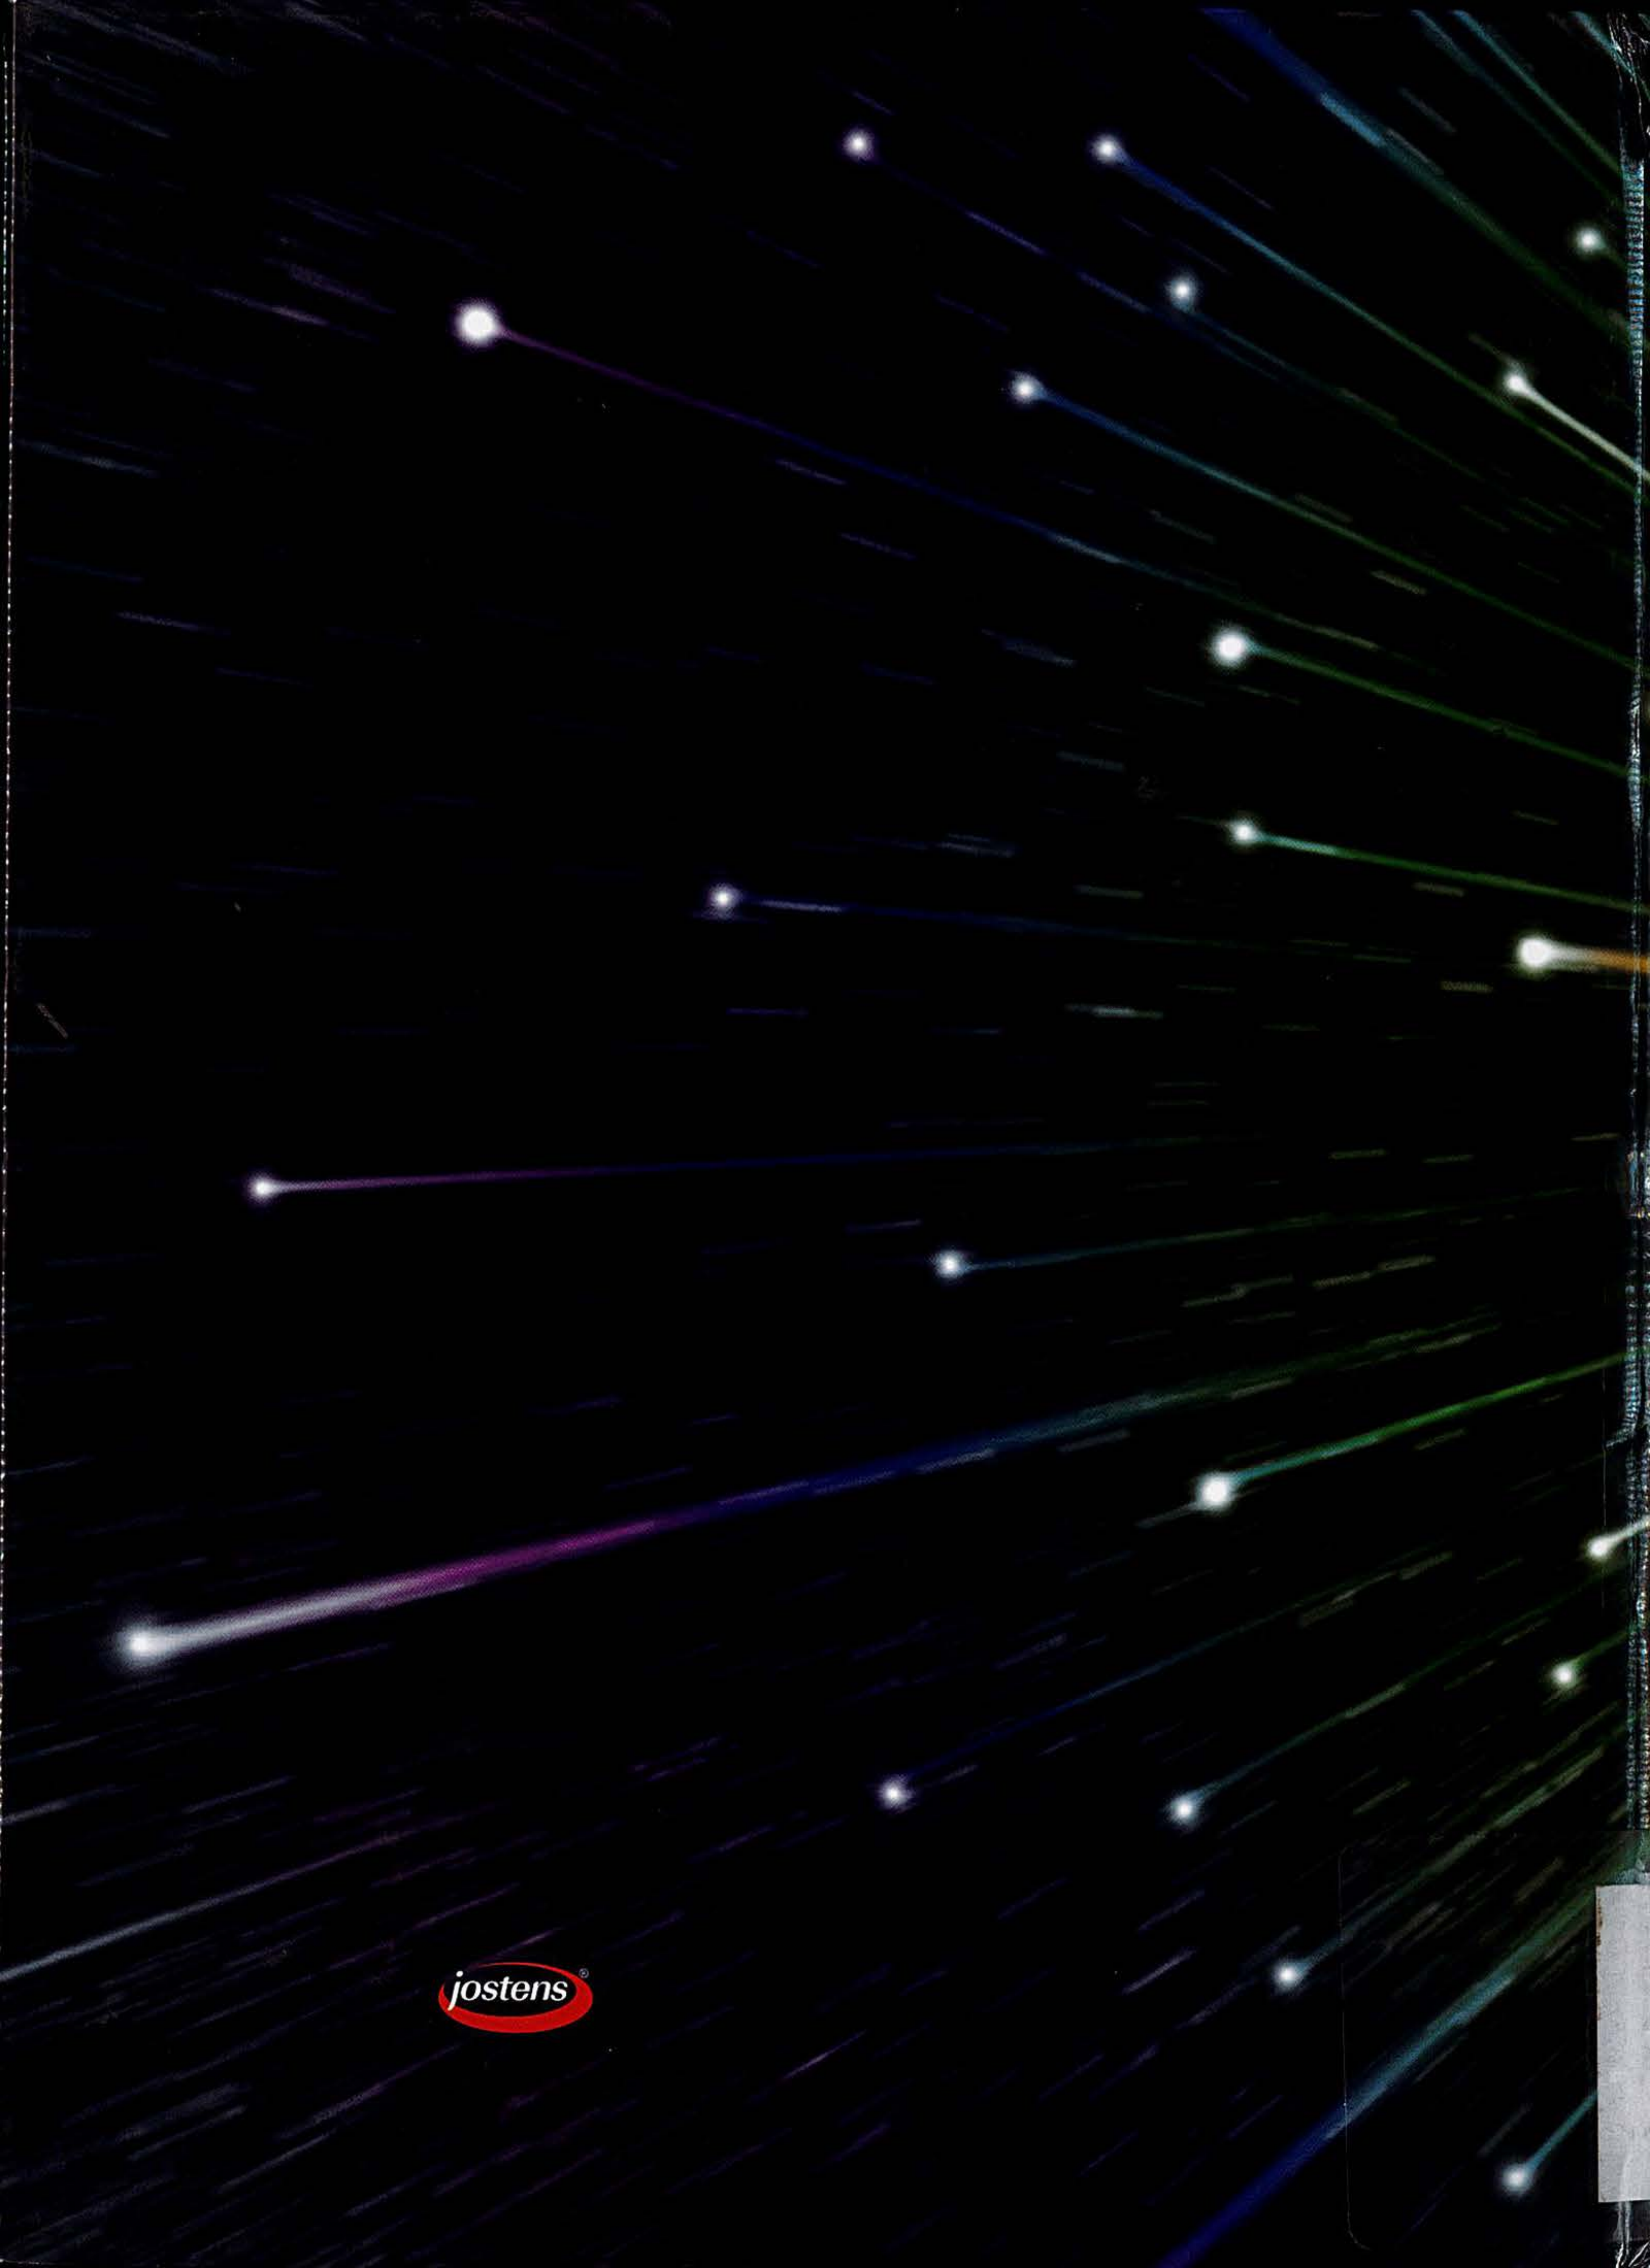

A Message for my Daughter
Elizabeth

Betty, congratulations on your graduation. I want to give you these pieces of advice so that you will keep them in your mind and in your heart for the rest of your life. Betty, the difference between a successful person and the others, is not the lack of effort nor the lack of knowledge, only the lack is will.

Betty, the future belongs to those that believe in the beauty of their dreams. Always remember that race is not always won by those that run the fastest, but by those that keep running. The race for quality has no finish line. These lines are for you from your Mother, Delfina, your Brother Jesse, and your Brother Jonny.
